

## Certificate

Nr. 441/23

We hereby certify the compliance of the product

„NIO“

provided by NIO GmbH, Montgelasstraße 14, 81679 München, Germany with the criteria catalogue ePrivacyApp of ePrivacyseal GmbH.

Substantial testing results (as an excerpt from the detailed evaluations):

- 1) The tested app complies with the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021).
- 2) The encryption of incoming and outgoing data has been checked. It is in compliance with the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021).
- 3) If Tracking Cookies and Ad-ID's are used, the user is informed or can object to this. The legal admissibility has not been checked in this context.
- 4) In the opinion of ePrivacyseal GmbH, the data security requirements within the scope of the assessment and according to the criteria catalogue "ePrivacyApp" of ePrivacyseal GmbH (2021) have been fulfilled.

NIO GmbH is entitled to use the privacy seal "ePrivacyApp", awarded by ePrivacyseal GmbH, for the below-mentioned version of the App.

Operating System	Version	Inspection date
iOS	2.7.1	08/05/2023
Android	2.7	08/05/2023

Period of validity: 09/05/2023 – 08/05/2024

In addition, the licensing conditions of ePrivacyseal GmbH shall apply.

Hamburg, 9 May 2023

Prof. Dr. Christoph Bauer  
CEO  
ePrivacyseal GmbH
